

Sri J. B. MALLARADHYA.—Will the Government place the entire correspondence on the table of the House?

Sri ANNARAO GANAMUKHI.—The House asked as to what are those charges. A copy of those charges I can place on the table of the House.

Sri J. B. MALLARADHYA.—To question as to whether they have called for a report from the University in respect of these charges, they have said 'Yes'. May I know whether they have called for a report from the same Vice-Chancellor or is it through a different agency ?

Sri ANNARAO GANAMUKHI.—As long as the Vice-Chancellor is there, how can there be any different agency ?

Sri M. C. NARASIMHAN.—May I know whether they have looked into both the charges as well as the reply and if so, what opinion they have come to on these charges ?

Sri ANNARAO GANAMUKHI.—After looking to the reply from the University we have provided answer (c).
